Podcast Episode 106 Description:

Part 1:

A year after the loss of the 116 pages and Doctrine and Covenants, Section 10 shows us that God's wisdom is greater than the Adversary's cunning. Join Dr. J.B. Haws, Hank Smith, and John Bytheway as they discuss how our poor choices are turned to victory through the Savior and how the phrase, "Everything happens for a reason," is bad theology. We also learn how to pray so that we spiritually "come off conqueror."

Part 2:

What does Hank Smith mean when he says, "You can't fool your family?" Join us for Part 2 of this episode with Dr. J.B. Haws as we learn how Hyrum Smith joins Joseph's work and why Hyrum is described as having "integrity of heart." If you would like to receive personal revelation from the Lord, learn more about Joseph and Hyrum's relationship, and learn what the Lord means by "timing," this episode is for you.

Biography and Headshot:

J. B. Haws is an associate professor of Church history and doctrine at BYU and currently serves as associate dean of Religious Education. He is the author of *The Mormon Image in the American Mind: Fifty Years of Public Perception* (Oxford, 2013). His PhD from the University of Utah is in American history. He is also interested in interfaith dialogue; he served as the coordinator of BYU's Office of Religious Outreach from 2016 to 2018. Before coming to BYU, J. B. taught seminary in northern Utah, in Salt Lake and Weber Counties. His research interests center on the place of Mormonism in twentieth- and twenty-first century America. As for his interest in history generally, he asks how could you *not* be interested in history when you come from a place that in pioneer-times Utah was known as "Muskrat Springs" (now Hooper)?

He is married to the beautiful Laura Favero, which he submits as yet another evidence that miracles have not ceased! They are the parents of three boys and a daughter, and they love living in Provo and cheering (sometimes too fanatically) for the Cougars.

He served a Spanish-speaking mission in Raleigh, North Carolina, so he speaks Spanish with a slight Southern accent (and English with a heavy Hooper, Utah, accent).
